Hand-drawn sketch of a mobile app interface for an art gallery. The sketch includes a top navigation bar with a hamburger menu icon, a search bar labeled "Search", and a "QO" logo. Below the navigation bar is a section titled "Artists". Under "Artists", there are two buttons: "X cover up" and "X Paris", with the latter being circled in orange. Below the buttons is a large rectangular area with left and right arrow icons, representing a carousel of artist profiles. At the bottom, there is a footer area with a small square icon, a series of wavy lines, and a large rectangular area with left and right arrow icons, also circled in orange.
